

PRODUCTS & SOLUTIONS FOR INDUSTRY

Bearings & Housings - Belts & Pulleys - Chains & Sprockets - Couplings & Drives
Linear Systems & Automation - Maintenance Equipment - MRO Products

Why Choose ACORN®

Fast, reliable service & supply

ACORN provides high-quality personal service and a fast supply of industrial products to industry, including a same-day despatch service on all 7 million stocked MRO products.

Dedicated Product Divisions

ACORN has 5 dedicated Product Managers that cover our 5 key business areas: Bearings, Power Transmission, Couplings & Drives, Linear & Automation and Seals. Alongside our Product Managers, we also have two dedicated product divisions for Couplings & Drives and Linear Systems - both are on hand to answer any technical queries you may have.

Product Experts

Andy Fletcher - Bearing Product Manager

Andy has over 16 years experience within the engineering sector, 7 of which were spent working with industrial products. Andy's knowledge and experience can be applied in the identification of bearings, helping customers with product selection, advice on maintenance and lubrication solutions.

Paul Speight - Power Transmission Product Manager

With over 18 years in the power transmission industry, Paul has been a supplier to ACORN, a customer of ACORN and now an ACORN employee. His wide range of experiences in industry mean that he is perfectly placed to offer customers expert support with their power transmission requirements.

Tom Fowler - Couplings & Drives Product Manager

Tom joined ACORN directly from a coupling manufacturer, meaning his knowledge on Couplings & Drives is second-to-none. This experience together with ACORN'S efficiency and distribution techniques, makes the dedicated Couplings & Drives centre the number 1 choice for solving application issues and providing solutions.

Simon Gillingham - Linear & Automation Business Unit Manager

Simon's expertise in Linear & Automation is first class, with his decades of experience, he is perfectly situated to assist customers with their linear requirements. This, alongside ACORN'S dedicated linear division makes finding solutions easy.

Sy Gilliam - Seals Product Manager

With almost 40 years experience in the trade, with a background in seals, all of this knowledge he can put to use in assisting customers finding them sealing solutions.
