

Description

PROTEAN Foaming Cleaner is a NSF: A1 registered multi-surface foam cleaner suitable for use within Food & Beverage, Packaging, Pharmaceutical and other cleanroom environments. Formulated with a foaming action to cling longer to surfaces for improved contact time and effectiveness.

Benefits & Features

- NSF: A1 registered
- For use on all hard surfaces
- Foaming action for longer contact time
- Cuts through grease and grime effectively
- Gentle cleaning action – will not scratch
- Contains benign cleaning ingredients
- 360° value for inverted use

Directions for Use

- Store out of direct sunlight and below +50°C (ideally between +10°C and +25°C)
- Consult the safety data sheet prior to use
- Shake aerosol well before use, and if in doubt, test an inconspicuous area first
- Do not spray directly onto hot surfaces and always switch off any electrical equipment before applying F422
- Spray onto the areas to be cleaned from a distance of 20-30cm. Leave for 30 seconds and wipe clean with a damp cloth or sponge. A lint free cloth is highly recommended
- Heavily soiled areas may require gentle scrubbing with a medium soft brush
- Rinse the area with water when finished

Technical Data

OSHA 1910.106:	A1 – for use as a general cleaner on all surfaces in an around food processing areas where its use is not intended for direct food contact
NSF Certificate No:	145233
Allergens:	Does not contain any genetically modified ingredients, nut oils or animal derivatives
Appearance:	Clear spray forming a white foam
Odour:	Characteristic of solvent
Propellant(s):	Propane / Butane
Flammability:	Extremely Flammable
Storage:	Below +50°C
Flash Point:	-60°C
Pack Sizes:	12 x 400ml cans
