

### Description

PROTEAN Instant Degreaser is an NSF D1 registered, ready-to-use, cleaner for use in food environments, killing bacteria fast and effectively removing grease and grime with powerful degreasing agents. It is non-tainting and tested to BS EN 1276 standard.

### Benefits & features

- NSF D1 Certified
- Ready to use powerful degreaser
- Colourless / non-tainting
- Odourless formulation
- Cleans / disinfectants with anti-bacterial properties
- Available in a convenient, handy-size 750ml trigger bottle or 5 Litre bulk

### Directions for Use

- NSF D1 Certified
- Spray onto surface
- Leave for 30 seconds contact time for sanitizing action
- Wipe clean with a paper towel and allow to air dry
- **Surfaces used for direct food contact should be rinsed with potable water prior to the return of any food**

### Technical Data

Category	D1 (general cleaner on all surfaces in and around food processing areas where its use is not intended, always requiring a rinse after use)
NSF Registration No.	163291
Allergens	Does not contain allergens, genetically modified ingredients, nut oil or derivatives.
Appearance	Clear thin liquid
Odour	Odourless
pH	10.0 - 11.0
Contents	Blend of non-ionic and cationic surfactants with sequestrates and water soluble solvents
Temperature range	For use at ambient temperatures
Relative Density	1.0
Solubility	Soluble in water
Pack Sizes	750ml (F906T) 5 Ltr (F906)
