

Description

A solvent blend for degreasing and cleaning of metal components. Developed as an effective cleaner of automotive brake and clutch parts, this product is also used for degreasing and the removal of dust and oil from metals, coatings and most rubbers and plastics.

Benefits & Features

- Clear, fast evaporating liquid
- Effective degreaser and general cleaner
- Residue free
- Eliminates brake squeal and clutch slip
- Biodegradable – no bioaccumulation potential

Directions for Use

Apply by spray, brushing or dipping, observing safe working practice when using flammable liquids. Allow to penetrate and wipe clean.

Technical Data

Appearance:	Colourless liquid
Odour:	Solvent
Contents:	Blend of naphtha and isopropanol
Flash Point:	-0.184°C
Solubility:	Insoluble in water, soluble in most organic solvents
Temperature Range:	
Relative Density:	0.675-0.725
Boiling Point:	71 - 95°C
Flammability:	Extremely Flammable
Health & Safety:	Consult Safety Data Sheet (available at tygrisindustrial.com)
Storage:	Store in a cool, well ventilated area free from the danger of combustion
Pack Size:	4 x 5ltr
