

SKF AXIOS Promotional offer

Terms & conditions

For a limited time, ACORN® is offering a free training session on fitting and setup of the SKF AXIOS system. This offer is available with your first order of the SKF AXIOS 5-Sensor pack with 5-year cloud subscription included – Acorn product code: CMWA 6400-5-SKF.

To claim this unique offer only available from ACORN **please enter PROMO CODE: UKAX0425 at checkout.** Training must be arranged within one month from time of order.

We will contact you on the telephone number you provided at account registration. Alternatively, you can email us to arrange the training date at: enquiries@acorn-ind.co.uk

Training will be carried out at the customers site and will include the installation and setup of SKF AXIOS system. Training must be arranged within one month from time of order.

Please Note: This offer is available to the UK only. Depending on the site location, we may need to charge for travel to and from your site and for accommodation if the site is deemed out of our daily travel range. We will advise any costs to be incurred at the time of booking.

For further information on possible travel & accommodations costs you can email: enquiries@acorn-ind.co.uk or call Andy Fletcher on 07585 525589 and we will be happy to discuss these with you.

For training to be conducted, you will need the following equipment available on the training day:

1. Available Wi-Fi
2. A Smart phone or tablet
3. An SKF AXIOS Gateway (Ethernet or Wi-Fi version)
4. A 5-sensor pack with cloud subscription
